

November 9, 2017

Dear Valued Customer,

TESCO is excited to announce we will be offering one time only clearance pricing for the line items and quantities identified to our customers. See below for details on clearance pricing.

Clearance pricing applies only to the line items listed in the attached 2017 Inventory Clearance list which accompanies this letter and only to the quantities marked as being on hand.

Items ordered in excess of the quantity listed as available will not qualify for the clearance pricing and will be available at standard MSRP pricing only. This is a one-time offer on a first come, first serve basis; this offer is only valid while quantities last.

Items are available Ex-Stock at the location noted in the 2017 Yearend Clearance list.

The 2017 Yearend Clearance list will be updated weekly; once the quantities listed have been depleted, that line item will be removed from the list.

Tesco Standard Terms and Conditions apply. Prices are in US Currency. All sales are final.

Clearance Prices

All items are priced individually, priced to sell and are our guaranteed lowest sell prices to date. All reasonable offers on discounted pricing will be considered for bulk purchases.

In addition, TESCO would like to take the opportunity to remind you of some of our special offers such as:

Level IV Top Drive Recertification's
Level III Top Drive Field Interval Inspections
Top Drive 44 & 46 Point Condition Inspection
Top Drive Performance Upgrades
Refurbished Parts Exchange Program
Field Service Packs
Top Drive Extended Warranty Package
Tesco ULTREX Lubricants

Please contact your local TESCO service center for more details or Glenn Jones at glenn_jones@tesco-corp.com

Thank you for choosing TESCO for all your OEM drilling equipment needs.

Sincerely,

A handwritten signature in black ink, appearing to read "Glenn Jones".
